

## Is it time for a Kyriba check up?

Your organization has likely evolved since you implemented Kyriba as your treasury management solution. Kyriba has evolved too, continuously developing new and exciting features to help organizations like yours maximize their ROI and enhance user experiences.

Are you taking full advantage of Kyriba's capabilities? If not, we can help change that.

**Unlocking cutting-edge features.** Kyriba launches new functionality each month. We will inventory the untapped tools available and make recommendations on how to integrate them into your workflows.

**Identifying and alleviating pain points.** Have you identified gaps and inefficiencies or developed a wish list? Tell us what's not working, and we'll create a roadmap towards an improved user experience.

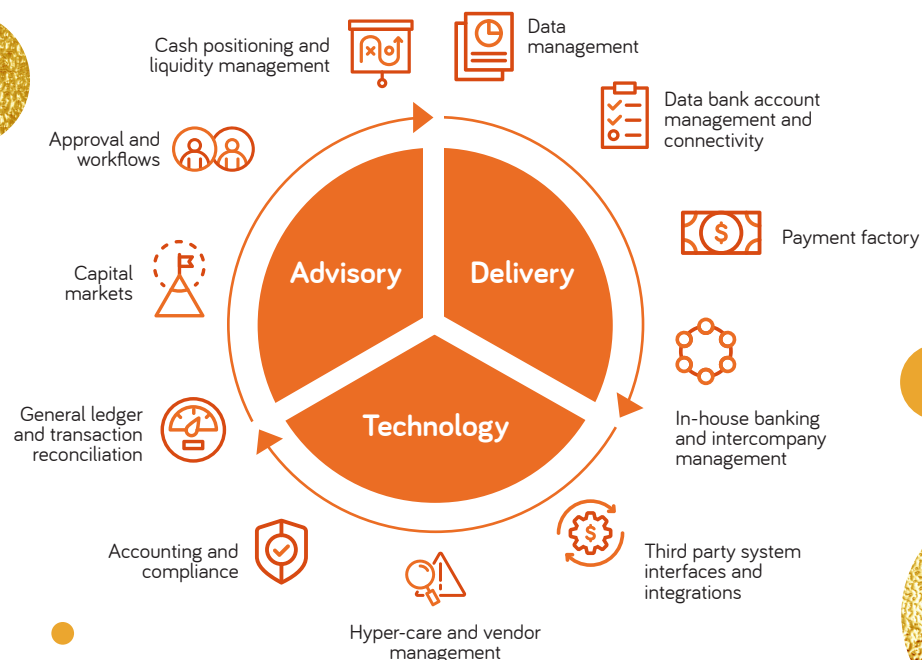

**Providing fresh perspective.** We've implemented Kyriba for companies of all sizes and across a range of industries. You can benefit from our breadth of experience and insights on your use—and potential optimization—of Kyriba.

### Since you implemented Kyriba, have you:

- ☐ Reviewed monthly Kyriba release notes?
- ☐ Updated access profiles to enable new features?
- ☐ Reviewed and/or updated user permissions and rights?
- ☐ Retested controls?
- ☐ Added new users?
- ☐ Lost resources and require training?
- ☐ Made acquisitions or added business units?
- ☐ Established new bank relationships?
- ☐ Added and automated new reports?
- ☐ Assessed forecasting accuracy and drivers of variances?
- ☐ Evaluated the effectiveness of automated cash categorizations and GL entries?
- ☐ Built new dashboards, charts, and other KPI displays?

## Our treasury offerings

We bring an advisory lens to our Kyriba projects, helping you achieve industry leading practices by leveraging technology to its full extent. Our team works side-by-side with you to optimize workflows and automate treasury processes to meet your specific requirements. That way your team can focus on what matters: uncovering new insights that will drive your business forward.

## Go further with ClearSulting

ClearSulting's innovative problem solving and proven technology workflows help finance leaders embrace digital to become better business partners. Acting as a link across your business, we connect your vision with the processes, technology, and systems that yield success. We offer enterprise performance management, finance effectiveness, record-to-report, risk advisory, and treasury services that take a digital-minded approach to push your business further.

## Why work with us?

Beyond our extensive treasury experience, you'll also benefit from:

- Recommendations on improving and automating processes across treasury and the office of the CFO
- A flexible, user-focused approach to project management
- A team of Kyriba subject-matter experts who have implemented Kyriba at organizations of all sizes and across industries, including Fortune 500 companies
- Our relationships and connections with Kyriba at every level
